## Vision Statement

The Ventura County Community College District will become the leader in the development of high quality, innovative educational programs and services. Keeping in mind that students come first, we will model best practice in instructional and service delivery, student access, community involvement, and accountability.

## Mission Statement

Ventura County Community College District provides students, in its diverse community, with access to comprehensive quality educational opportunities that support student learning and student success.

## Values Statement

- We base our actions on what will best serve students and the community.
- We maintain high standards in our constant pursuit of excellence.
- We recognize and celebrate creativity, innovation, and entrepreneurship.
- We demonstrate integrity and honesty in action and word.
- We communicate openly and respectfully to students, colleagues and members of the public.
- We hire and retain personnel who reflect the diversity of the communities we serve.
- We promote inclusiveness, and openness to differing viewpoints.
- We use data, research and open discussion to drive our plans and decisions.
- We demonstrate responsible stewardship for our human, financial, physical and environmental resources.
- We seek and maintain long-term partnerships with the communities we serve.

## Accessibility Statement

Ventura County Community College District (VCCCD), believes that higher education should be available to everyone and we support a diverse community that includes people with disabilities. In this spirit and in alignment with the California Community Colleges, we are committed to accessibility for all students, faculty, staff, and our community.

VCCCD is fully committed to making information and communication technology, instructional technology, and student, employee, and community communications accessible. VCCCD views accessibility of such material as foundational to our mission and consistent to

the Board of Trustees Strategic Goals. As such, the VCCCD Board of Trustees established policy to affirm accessibility expectations.

In the event you find an accessibility issue within using the online catalog, please contact your college's DSP&S Office:
