

HOSPITALITY MANAGEMENT, ASSOCIATE IN SCIENCE FOR TRANSFER

A study of Hospitality Management offers practical and theoretical knowledge of management of hotel staff, upkeep and sanitary standards of hotel facilities, customer service, marketing, sales, accounting, purchasing, production and operations. Students will gain a global perspective of the Hospitality industry and an opportunity to understand the legal and ethical considerations affecting organizations in the industry.

The Associate in Science in **Hospitality Management** for Transfer Degree (AS-T) is intended for students who plan to transfer and complete a bachelor's degree in Hospitality Management, or a "similar" major at a CSU campus. Students completing this AA-T degree are guaranteed admission to the CSU system, but not necessarily to a particular CSU campus or major of their choice. For a current list of what majors (and what options or areas of emphasis within that major) have been designed as "similar" to this degree at each CSU campus, please refer to adgreewithaguarantee.com and seek guidance from a Moorpark College counselor.

To earn an AS-T in Hospitality Management, student must:

- Complete **60** semester or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education-Breadth (CSU GE-Breadth) requirements.
 - A minimum of **18-19** semester units in **Hospitality Management** major as listed in the Moorpark College catalog.
- Obtain a minimum grade point average (GPA) of at least **2.0**. While a minimum of 2.0 is required for admission, some transfer institutions and majors may require a higher GPA. Please consult with a counselor for more information.
- Obtain a grade of "**C**" or better or "**P**" in all courses required in the major. Even though a "pass-no-pass" is allowed (Title 5 §55063), it is highly recommended that students complete their major courses with a letter grade (A, B, or C).
- Complete requirements in residency. For students in the Ventura County Community College District, a minimum of **12** units must be completed in residency at the college granting the degree.

Students transferring to a CSU campus that **does** accept the AS-T in **Hospitality Management** will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is a designated "high-unit" major at a particular campus). This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor to obtain more information on university admission and transfer requirements.
