

CHILD AND ADOLESCENT DEVELOPMENT, ASSOCIATE IN ARTS FOR TRANSFER

A major in Child and Adolescent Development offers lower division coursework examining classical and contemporary research that promotes positive developmental outcomes spanning conception through emerging adulthood. This option of study is intended for students who aspire to careers in developmental research, public policy, social work, school psychology, and similar fields.

The Associate in Arts in Child and Adolescent Development for Transfer degree (AA-T in Child and Adolescent Development) is intended for students who plan to transfer and complete a bachelor's degree in: Child Development; Child Development (Pre-credential) Child and Adolescent Development; Child, Adolescent and Family Studies; Family and Consumer Sciences (Child Development and Family Studies); Human Development (Adolescent Option, Childhood Option, Children's Services); Liberal Studies (Child Development) or a major deemed similar at a CSU campus. Each CSU campus determines which of the degrees it offers are "similar" and can be completed with the preparation included in the AA-T in Child and Adolescent Development within 60 units once a student transfers, so which majors are "similar" varies from CSU to CSU. For a current list of what majors (and what options or areas of emphasis within that major) have been designed as "similar" to this degree at each CSU campus, please refer to the CSU's Associate Degree for Transfer Major and Campus Search (<https://www.calstate.edu/apply/transfer/Pages/associate-degree-for-transfer-major-and-campus-search.aspx>) webpage and seek guidance from a Moorpark College counselor. Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major of choice.

To earn an AA-T in Child and Adolescent Development, students must:

- Complete 60 semester or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education-Breadth (CSU GE-Breadth) requirements.
 - The required coursework for the AA-T in Child and Adolescent as listed in the Moorpark College catalog.
- Obtain a minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some transfer institutions and majors may require a higher GPA. Please consult with a counselor for more information.
- Obtain a grade of "C" or better or "P" in all courses required in the major. Even though a "pass-no-pass" is allowed (Title 5 §55062), it is highly recommended that students complete their major courses with a letter grade (A, B, or C).
- Complete requirements in residence. For students in the Ventura County Community College District, a minimum of 12 semester units must be completed in residence within the college district.

Students transferring to a CSU campus that accepts the AA-T in Child and Adolescent Development will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is a designated "high-unit" major at a particular campus). This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU

system. Students should consult with a counselor to obtain more information on university admission and transfer requirements.

Course ID	Title	Units/Hours
REQUIRED CORE (9-10 units)		
CD M02	Human Development: Infancy through Adolescence	3
PSY M01 or PSY M01H	Introduction to Psychology Honors: Introduction to Psychology	3
Select and complete one of the following		
MATH M15 or MATH M15H	Introductory Statistics Honors: Introductory Statistics	4
SOC M125 or PSY M125	Statistics for the Behavioral and Social Sciences Statistics for the Behavioral and Social Sciences	3
Units from LIST A		9-11
Total Required Major Units: 18-21		

Course ID	Title	Units/Hours
LIST A: Select three courses from at least two Options		
Option 1:		
ANTH M02	Cultural Anthropology	
CD M03 or CD M03H	Child, Family, and Community Honors: Child, Family, and Community	
SOC M110 or SOC M110H	Introduction to Sociology Honors: Introduction to Sociology	
SOC M130	Introduction to Marriage and Family	
SOC M150	Introduction to Race and Ethnicity	
Option 2:		
PSY M07	Developmental Psychology (Lifespan) (NOTE: UC credit limitation - CD M02 and PSY M07 combined; one course)	
Option 3:		
BIOL M01	Introduction to Biology	
BIOL M02A or BIOL M02AH	General Biology I Honors: General Biology I	
BIOL M02B	General Biology II	
BIOL M02C	Genetics and Molecular Biology	
BIOL M03	Marine Life and Its Environment	
BIOL M05	Field Biology: A Natural History of California	
BIOL M16	Human Biology	
BIOL M17	Heredity, Evolution and Society	
BIOL M18	Human Biology for Pre-Allied	
Option 4: Maximum of two courses		
Any course from Option 1, 2, or 3 not already used		
CD M04 & M04L	Observation and Assessment and Observation and Assessment Laboratory	
CD M05	Teaching in a Diverse Society	
CD M11	Principles and Practices in Early Childhood Education	

CD M12 & M12L	Early Childhood Education Teaching Practicum and Early Childhood Education Teaching Practicum Lab	
CD M14	Introduction to Curriculum	
CD M15	Care and Education Programs: Infants/ Toddlers	
CD M16	Strategies for Working with Challenging Behaviors	
CD M23	Health, Safety, & Nutrition	
COMM M01 or COMM M01H	Public Speaking Honors: Public Speaking	
GEOG M01	Physical Geography	
GEOG M02	Cultural Geography	
GEOG M03 or GEOG M03H	World Regional Geography Honors: World Regional Geography	
HED M01	Health and Society	
HIST M130	United States History Through Reconstruction	
HIST M150	World History: From Prehistory to 1500	
HIST M160	World History: From 1450 to the Present	
MATH M10	Mathematics for Elementary Teachers	
NTS M01	Introduction to Nutrition Science	
PHIL M07	Introduction to Logic	
PHSC M01 & M01L	Principles of Physical Science and Principles of Physical Science Laboratory	
POLS M03 or POLS M03H	American Government and Politics Honors: American Government and Politics	
PSY M04	Child Psychology	
Total Required Major Units		19 - 21
CSU General Education-Breadth		39
Double-Counted Units		6-16
Electives to meet 60 CSU units:		6-18
NOTE: IGETC 1C is required for all CSU applicants. Students applying to a UC or Private school may earn this ADT without IGETC 1C but will be ineligible to apply to a CSU.		37
Double-Counted Units		6-16
Electives to meet 60 CSU units		8-20
Total Units Required for the AS-T Degree		60

Upon successful completion of this program, students will be able to:

- demonstrate an understanding of the perspectives, theories, research methods, and core concepts of child development from conception through adolescence as an area of scientific inquiry.
- develop an environment that honors the diversity of the learning community through empowerment, equity, respect, and dignity.
