

GENERAL STUDIES: INTERDISCIPLINARY STUDIES

The courses that fulfill the Interdisciplinary Studies area of emphasis stem from the liberal arts/studies perspective by providing a breadth of knowledge and examining a diverse array of academic disciplines. The coursework is designed to enable students to: explore how knowledge across multiple disciplines is interrelated; think critically and creatively; write and speak clearly, coherently, and thoughtfully; read, understand, and evaluate all forms of text; evaluate the positive value and essential role of diversity, and formulate their own goals for continued learning and inquiry based on a foundation of intellectual curiosity. The program aligns well with and provides future elementary or special teachers with the foundational knowledge needed to become effective educators.

To obtain an AA in General Studies degree with an emphasis in Interdisciplinary Studies, students are required to:

1. Complete Moorpark College's General Education requirements to include areas 1-7 or the California General Education Transfer Curriculum (Cal-GETC).
2. Complete a minimum of 18 units in the area of emphasis. Each course in the area of emphasis must be completed with a grade of "C" or better (or a "P"). Courses in the area of emphasis may also be used to fulfill general education requirements, but the units may count only once.

Note: Universities have limitations on the number of units that can be taken "Pass/No-Pass"; therefore, it is strongly recommended that students take all major coursework for a letter grade.

3. Complete a minimum of 60 degree-applicable units. Students intending to transfer will need to complete 60 CSU or UC transferable units.

4. Complete requirements in scholarship (2.0 minimum cumulative degree-applicable GPA).

5. Complete a minimum of 12 semester units within the Ventura County Community College District.

NOTE: Students planning to transfer to a four-year university are advised to choose courses that meet the lower division major preparation and general education requirements for their chosen university in consultation with a college counselor.
