

CAREER CENTER

Oxnard College Career Center

As an Oxnard College student, you have access to a variety of resources for employment opportunities, career research, occupational information, and labor statistics. Whether you are attending to earn a certificate in your chosen field, transfer to a four year University, or take a few classes to enhance your skills set, your career truly starts here at Oxnard College.

Our Career Counselors and Placement Project Specialist are trained to answer any career questions, assist you with job readiness, and provide information regarding current and upcoming job markets. In these uncertain times, the OC Career Center is your place to become prepared for the career you want and the skills you will need to achieve your goals.

Oxnard College Career Center provides students with Career Exploration and Job Readiness services in various stages of Career Development. Career Exploration and Readiness are a continuous process that guide individuals into successful and fulfilling occupations.
