

GENERAL EDUCATION OPTIONS

General Education is one of the required components of all Associate (and Baccalaureate) degrees. At Oxnard College, there are five General Education options available. The major and/or transfer path a student is pursuing will dictate the choices available to the student.

4. IGETC for Science, Technology, Engineering, and Math (STEM)

A transfer student intending to major in science, engineering or mathematics may complete up to three GE courses after transfer. UC will accept IGETC for STEM if the UC school, college or major program to which the student transfers accepts partial IGETC certification. The courses to be completed after transfer may consist of at most one in each of the following areas: Arts and Humanities, Social and Behavioral Science, and Language Other Than English (LOTE). See: admission.universityofcalifornia.edu/glossary/igetc-for-stem.html (<http://admission.universityofcalifornia.edu/glossary/igetc-for-stem.html>) for more information.

Majors at Oxnard College for which IGETC for STEM is an option include only the following:

- Biology (AS-T) (<http://catalog.vcccd.edu/oxnard/programs-courses/biological-sciences/biology-ast/>)
- Environmental Science (AS-T) (<http://catalog.vcccd.edu/oxnard/programs-courses/environmental-science/environmental-science-ast/>)

5. General Education Pattern of the Intended Transfer Institution (including meeting minimum Title 5 requirements)

Students transferring to a four-year university in high-unit majors or where completion of the CSU GE-Breadth or IGETC is not appropriate or advisable may choose to instead follow the GE pattern of their intended institution. This may include students transferring to private universities, out-of-state universities, or

UC/CSU campuses within majors that have their own specific GE requirements.

Majors at Oxnard College for which the GE pattern of an intended Transfer Institution is an option include:

- General Studies: Arts and Humanities - Pattern II (<http://catalog.vcccd.edu/oxnard/programs-courses/general-studies/general-studies-arts-humanities-pattern-ii-aa/>)
- General Studies: Natural Science or Mathematics - Pattern II (<http://catalog.vcccd.edu/oxnard/programs-courses/general-studies/general-studies-natural-sciences-math-pattern-ii-as/>)
- General Studies: Social and Behavioral Sciences - Pattern II (<http://catalog.vcccd.edu/oxnard/programs-courses/general-studies/general-studies-social-behavioral-pattern-ii-aa/>)
