

COMMUNICATION STUDIES 2.0, ASSOCIATE IN ARTS FOR TRANSFER

The Associate in Arts in Communication Studies 2.0 for Transfer (Communication Studies 2.0 AA-T) at Oxnard College offers students curriculum that embraces the many facets of human communication including public speaking, argumentation, interpersonal, intercultural, and group communication. Students will ultimately enhance their communication competency by studying theories and concepts; students will also engage in practical communicative demonstrations.

The AA-T in Communication Studies 2.0 is intended for students who plan to complete a bachelor's degree in Communication Studies or other majors designated as "similar" majors by a CSU campus. For a current list of what majors (and what options or areas of emphasis within majors) have been designated as "similar" to this degree at each CSU campus, please refer to CSU's Associate Degree for Transfer Major and Campus Search (<https://www.calstate.edu/apply/transfer/Pages/associate-degree-for-transfer-major-and-campus-search.aspx>) and seek guidance from an Oxnard College counselor. Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major.

To earn an AA-T in Communication Studies 2.0, students must:

1. Complete a minimum of **60** CSU-transferable semester units including both of the following:
 - a. Certified completion of the California General Education Transfer Curriculum (Cal-GETC).
 - b. A minimum of **18** semester units and all course requirements in the Communication Studies 2.0 major as listed in the Oxnard College catalog.
2. Obtain a minimum grade point average (GPA) of 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information.
3. Obtain a grade of "C" or better or "P" in all courses required in the major. Even though a "pass-no-pass" is allowed, it is highly recommended that students complete their major courses with a letter grade.

Students transferring to a CSU campus that accepts the Communication Studies 2.0 AA-T will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is a designated "high-unit" major at a particular campus. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system.
