

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC) FOR STEM

IGETC for STEM Majors is applicable only to majors in which the TMC explicitly indicates the availability of the option. As of May 2020, only the AS-T in Chemistry, AS-T in Biology, and AS-T in Environmental Science allow for IGETC for STEM. All courses on IGETC must be completed with a grade of "C" or better (or score of 3 or better on AP tests). Grades of "C-" are not acceptable. Students wishing to use a course to meet an IGETC requirement must be sure that the course is on the IGETC list during the academic year when it is taken. **When substituting a course from another California Community College, check assist.org to verify the course was approved to meet IGETC in that area at the college where the course was taken, in the year it was taken.** IGETC Certification* must be requested prior to transferring. The UC system allows a maximum of 14 semester units graded "Pass/No-Pass." *Courses on this list change from year to year. Always check on the IGETC list on ASSIST.org for Oxnard College before registering for a course.*
