

ECONOMICS, ASSOCIATE IN ARTS FOR TRANSFER

The Associate in Arts in Economics for Transfer Degree (Economics AA-T) and courses provide students with the analytical tools, real-world applications, and theoretical background necessary to comprehend economic events and understand the role of various economic institutions within the U.S. economy and the motivations and consequences of the interactions between nations and firms in the global economy.

The Associate in Arts in Economics for Transfer Degree (Economics AA-T) is intended for students who plan to complete a baccalaureate degree in Economics or a similar major at a CSU campus. For a current list of what majors (and what options or areas of emphasis within that major) have been designated as "similar" to this degree at each CSU campus, please refer to CSU's Associate Degree for Transfer Major and Campus Search (<https://www.calstate.edu/apply/transfer/Pages/associate-degree-for-transfer-major-and-campus-search.aspx>) webpage and seek guidance from a Ventura College counselor. Students completing this degree are guaranteed admission to the CSU system, although not necessarily to a particular CSU campus or major.

Students transferring to a CSU campus that accepts the Economics AA-T will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is a designated "high-unit" major at a particular campus). This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements.

To earn an Associate in Arts in Economics for Transfer degree, students must complete the following requirements:

1. Complete 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC for CSU) or the California State University General Education-Breadth (CSU GE-Breadth) requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtain a minimum grade point average (GPA) of 2.0 in all transferable coursework. While a minimum GPA of 2.0 is required for admission, some transfer institutions and majors may require a higher GPA. Please consult with a counselor for more information.
3. Obtain a grade of "C" or better or "P" in all courses required in the major or area of emphasis. Even though a "P" grade is allowed (Title 5 section 55062), it is recommended that students complete their major courses with a letter grade ("A," "B," or "C") due to unit limitations on "P/NP" courses.
4. Complete requirements in residency. For students in the Ventura County Community College District, a minimum of 12 units must be completed in residence within the college district.

Course ID	Title	Units/Hours
Required Core (14–15 units):		
ECON V01A	Principles of Macroeconomics	3
ECON V01B	Principles of Microeconomics	3
MATH V44	Elementary Statistics	4
Select one (1) of the following courses:		
MATH V21A	Calculus with Analytic Geometry I	5
–OR–		
MATH V46	Business Calculus	3
List A: Select one (1) of the following courses (3–5 units):		
ACCT V01A	Financial Accounting	4
ACCT V01B	Managerial Accounting	4
BUS V17	Computer Applications	3
BUS V45	Business Communications	3
MATH V21B	Calculus with Analytic Geometry II	5
POLS V01	American Government	3
List B: Select one (1) of the following courses (3–5 units):		
MATH V21C	Multivariable Calculus	5
MATH V22	Introduction to Linear Algebra	3
Any course from List A not already used (ACCT V01A, ACCT V01B, BUS V17, BUS V45, MATH V21B, POLS V01)		
Total Required Major Units		20–25
CSU GE-Breadth or IGETC-CSU Pattern		37–39
Double-Counted Units		(9–12)
Electives (CSU transferrable units to reach 60)		5–15
Total Units		60

See a counselor or consult assist.org (<http://assist.org>), if you plan to transfer to a UC campus or a college or university other than a CSU.

Upon successful completion of this program, students will be able to:

- Identify and explain key terms and concepts related to economics.
- Identify and explain the institutional structures dealing with economics.
- Using key theories and concepts, analyze major economic issues and policies.
