*Educational Assistance Center (EAC) courses are designed for students with disabilities.*

## Credit Courses

### EAC V01 Strategies for Success in College and Life 3 Units

*In-Class Hours:* 52.5 lecture

This course introduces students to strategies for success in education, career, and life goals. Students will develop their own success plans through self-evaluation, and by learning and applying specific techniques and resources for life-long learning. Topics include self-advocacy, learning profiles, study/life skills, relationships/communication, multiculturalism/diversity, and college and career options. Emphasis will be placed on developing independent critical thinking skills while providing opportunity for construction and implementation of plans for success. Instruction is designed to meet the educational needs of students with or without disabilities.
