

# ENGLISH FOR MULTILINGUAL STUDENTS

---

English for Multilingual Students (ENGM) was designed to assist students who speak more than one language and use English for academic purposes, yet continue to be challenged or have weaknesses in academic writing and reading comprehension. These courses facilitate independent learning and prepare students for transfer-level courses. Students who participate in the ENGM courses will collaborate to solve problems and demonstrate critical thinking skills.

## **ENGM N101L Academic Listening and Speaking I (Noncredit) 0 Units**

This academic listening and speaking course is designed for intermediate multilingual students. Instruction will focus on the improvement of oral fluency and listening comprehension. Emphasis is on vocabulary development, pronunciation, fluency, presentation skills, and comprehension.
