

CSU GE-BREADTH, CERTIFICATE OF ACHIEVEMENT

It is recommended that students planning to transfer to a California State University (CSU) complete their lower-division general education before transfer by following the CSU GE-Breadth pattern. Counselors can help students select courses that fulfill lower-division major requirements as well as general education. After students complete the CSU GE-Breadth pattern, they must meet with a counselor in the Counseling Department to request certification. Certification is not automatic. Without this certification, students may have additional lower-division general education requirements to fulfill after transfer that vary from campus to campus in the CSU system. Students who fully complete the CSU GE-Breadth for Ventura College will also be eligible to apply for a Certificate of Achievement in California State University General Education-Breadth (CSU GE-Breadth). CSU GE-Breadth is not appropriate for every major/college within the CSU. Check on www.assist.org (<https://www.assist.org>) or with your counselor or the University Transfer Center for updated information.

Courses on the CSU GE-Breadth are subject to change. Always check [assist.org](https://www.assist.org) (<https://www.assist.org>) to verify the latest CSU GE-Breadth approvals before taking a course to meet CSU GE-Breadth requirements.

Certification—After students complete the CSU GE-Breadth pattern, they must meet with a counselor in the Counseling Office to request certification. Without this certification, students may have additional lower-division general education requirements to fulfill after transfer that vary from campus to campus in the CSU. Associate Degrees for Transfer (ADTs) require full certification.

Certification of the CSU General Education Breadth requirements may include courses completed at Ventura College and previously completed courses from other regionally accredited institutions as well as external exams (AP/IB/CLEP).

Courses completed at other CSU campuses or California community colleges will be certified per their General Education patterns. It is the student's responsibility to provide an official transcript(s) from external institutions and/or official test scores for external exams.

Courses that have been completed at a regionally accredited institution other than a California community college or CSU will be included only under the following circumstances:

1. The student provides an official transcript, catalog description(s), and a course outline of record if required.
2. The course is determined to be comparable to a course in Ventura College's CSU General Education pattern through the pass-along process per California State University Executive Orders (EO), the Academic Senate of the California Community Colleges (ASCCC) Resolution on Reciprocity, and VCCCD AP 4100.

Partial Certification—It is possible to complete separately any of the Areas or sections (A–F) at Ventura College and receive partial certification in any or several of these areas; a student who is not fully certified will be required to complete the remaining areas (and perhaps

other areas) after transferring as defined by the catalog of the transfer school.

Course Restrictions—No course may be counted in more than one area.

Scholarship—A grade of “C” or better is required for each course completed in the oral communication (A1), written communication (A2), critical thinking (A3), and mathematics or quantitative reasoning (B4) groups of the CSU GE-Breadth pattern. A “pass” or “P” is allowed if the college's catalog states that it is equivalent to a C or better. Although a “P” is permissible, it is highly recommended that students complete each of these four (4) courses with a letter grade (“A,” “B,” or “C”). Note: While a “C–” can be used for CSU GE-Breadth Certification, students earning an Associate degree cannot use this grade to meet written competency (ENGL V01A) and mathematics requirements. The grade in these areas must be a “C” or better, or “P.”

Major Courses—Most campuses require a grade of “C” or better for each course required in preparation for a student's major; most do not allow a “P” (Pass) grade for major courses. Some CSU campuses allow applicants who submit full or partial certification to double count courses for general education and major requirements. Some majors are highly selective and require completion of some, or all, of the required major preparation coursework before transfer. Consult a counselor or [assist.org](https://www.assist.org) (<https://www.assist.org>) for more information.

U.S. History, Constitution, and American Ideals Requirements—All CSU campuses require students to complete college-level coursework in U.S. History, American Government, and California Government, in addition to GE requirements for graduation. Courses approved to satisfy this requirement are specified in appropriate areas. CSU campuses may permit double counting of courses taken to meet this requirement and GE-Breadth if the student is partially or fully certified.

External Credits or Credit by Examination—Advanced Placement (AP), International Baccalaureate (IB), and College Level Examination Program (CLEP) exams will be included in the CSU certification of general education requirements per the CSU Chancellor's Office policy. Students wishing to use units awarded for AP, IB, or CLEP should check with a counselor or refer to the Credit by Examination section of this catalog.

Area A: English Language Communication and Critical Thinking

Complete three courses, one each from Groups A1, A2, and A3, for a total of 9 semester units or 12 quarter units. All courses in Area A must be completed with a grade of “C” or better. Note: While a “C–” can be used for CSU GE-Breadth Certification, students earning an Associate degree cannot use this grade to meet written competency (ENGL V01A) and mathematics quantitative reasoning requirements.

A1: Oral Communication

Course ID	Title	Units/ Hours
COMM V01	Introduction to Speech Communication	3
COMM V03	Group Communication	3
COMM V10	Critical Thinking in Oral Communication: Argumentation and Debate	3
COMM V15	Interpersonal Communication	3

A2: Written Communication

Course ID	Title	Units/ Hours
ENGL V01A	English Composition	4

A3: Critical Thinking

Course ID	Title	Units/ Hours
COMM V10	Critical Thinking in Oral Communication: Argumentation and Debate	3
ENGL V01B	Critical Thinking and Composition Through Literature	4
ENGL V01C	Critical Thinking and Writing	3
PHIL V04	Introduction to Logic	3
PHIL V05	Critical Thinking and Analytical Writing	3

Area B: Scientific Inquiry and Quantitative Reasoning

Complete a minimum of 9 semester units or 12–15 quarter units, with at least one course from each of Groups B1, B2, B3, and B4, to include one laboratory activity course from Group B3 corresponding to a lecture course selected from Groups B1 or B2. Mathematics (Area B4) requires a grade of “C” or better. Note: While a “C–” can be used for CSU GE-Breadth Certification, students earning an Associate degree cannot use this grade to meet written competency (ENGL V01A) and mathematics quantitative reasoning requirements.

B1: Physical Science

Course ID	Title	Units/ Hours
AG V04	Introduction to Soil Science	3
AST V01	Elementary Astronomy	3
CHEM V01A	General Chemistry I	3

Last updated June 2022

Upon successful completion of this program, students will be able to:

- **Communication—Written, Oral, and Visual:** Students will write, speak, perform, or create original content that communicates effectively and is facilitated by active listening skills.
- **Reasoning—Scientific and Quantitative:** Students will locate, identify, collect, and organize data in order to analyze, interpret, or evaluate it using mathematical skills and/or the scientific method.
- **Critical Thinking and Problem Solving:** Students will recognize and identify the components of problems or issues, examine them from multiple perspectives and investigate ways to resolve them using reasoned and supportable conclusions while differentiating between facts, influences, opinions, and assumptions.
- **Information Literacy:** Students will formulate strategies to locate, evaluate, and apply information from a variety of sources in a variety of formats such as print and/or electronic.
- **Personal/Community Awareness and Academic/Career Responsibilities:** Students will examine the ethical responsibilities and the dynamic role of individuals and active citizens in society. Students will develop skills and employ strategies to self-manage their personal, academic, and career goals and to cooperate, collaborate, and interact successfully within groups and with a variety of cultures, peoples, and situations.
